NOT A PERMIT

SPECIAL FILMING CONDITIONS
DORRIS PLACE SCHOOL

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

Near this location are several City of Los Angeles facilities including the City testing laboratory, Engineering's Geology Lab and Building & Safety's Electrical Testing Laboratory. The employee lots are inadequate to handle employee cars and many depend on the streets close by for parking. In order to minimize the disruption and exposure of employee's cars to vandalism, the following limitations are in effect for permits at this location.

- **Affected residents and/or businesses must be notified two (2) days in advance of first film date.** *Permit requests must be submitted to FilmL.A. three (3) days in advance.*
- **No posting or parking is to be permitted on Dorris Place or Altman Street between Blake Avenue and Crystal Street.**
- **No posting or parking is to be permitted on the <u>east side</u> of Blake Avenue between Dorris Place and Altman Street (the side opposite the school).**

Note: Riverside Drive is also adjacent to the school and could serve as a reasonable alternative to any requests for the above areas. There is nothing prohibiting or restricting parking on Riverside Drive.

FilmL.A. Inc. NOT A PERMIT

SPECIAL FILMING CONDITIONS
CHAPMAN WOODS AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

These conditions are applicable to all film permit requests for the area indicated on the attached map but generally bounded by Del Mar Boulevard, Rosemead Boulevard, Huntington Drive and the Pasadena City limit:

- **FilmL.A. will evaluate all requests for permits in this area using the following criteria:** Frequency of filming per block near the requested location and parking areas – Duration and frequency of recent filming – Proximity of concurrent filming activities – Historical use – Recent problems or complaints – Number of filming days requested – Company size – Proposed activities (effects, excessive noise, cranes, etc.) – any other criteria that may be relevant to the specific situation. ***NO PERMITS FOR THIS AREA SHOULD BE ASSUMED TO BE AVAILABLE WITHOUT THE ABOVE REVIEW.***

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*

- **Production companies are also required to contact the Chapman Woods Homeowner's Association representative, Tom Rike (626) 405-8969 at least two working days in advance** of the first day of filming or the first day of any substantial set preparation. *The Chapman Woods Homeowner's Association is an advisory body representing the concerns of Chapman Woods residents and has no authority to approve filming activities or impose filming guidelines.*

- **Weekend and holiday filming is generally prohibited, unless approved by FilmL.A.**

- **Personal vehicles of cast/crew are not permitted to park on area streets.** Off-site parking must be arranged by the production company and cast/crew must be shuttled to and from the location.

- Parking behind the churches located at 700 and 778 S. Rosemead Boulevard. Parking in these lots is limited to 7:00 AM to 10:00 PM and personal vehicles only, **no production equipment is allowed**. **If either or both of these churches is used for parking, a FilmL.A. Monitor will be assigned.**

- **Parking of production equipment is limited to one side of the street.** Film company vehicles shall not interfere with gardeners' activities, trash pick up, safe use of the streets or access to resident driveways, unless approved by the affected residents.

- **The standard residential requirement prohibiting arrival before 7:00 a.m. and departure after 10:00 p.m., Monday through Friday, must be strictly adhered to.** An extension of the standard filming hours may require that affected residents be surveyed to identify neighborhood concerns and the approved date, hours and activities must be specifically indicated on the permit. **Additional consideration is given to residents in close proximity to the filming activities and their concerns will be given priority.**

- **Craft services, catering trucks, food preparation tables and dining tables are prohibited on sidewalks or parkways and must be out of public view.**

- **Generator(s) with the proper noise shield shall only be parked in front of the location house, or in front of houses that have approved this activity**.

- Cast and crew shall be informed of the provisions of the **Filmmaker's Code of Professional Responsibility.**
